

Dear i3 Registrants,

Thank you for registering for the 2017 SCASA Innovative Ideas Institute, June 18-21, 2017! We're looking forward to seeing you and we appreciate your support! Below is important information as you make your final preparations for the conference. **Please read all information carefully.**

General Sessions – IMPORTANT!!!!

Monday's general session will be held in the Palisades Conference Center at the Hilton Resort from 8:30 a.m. – 10:00 a.m. The Hilton Resort is a five (5) minute walk from the Embassy Suites on the Boardwalk. The Boardwalk can be accessed from any of the hotel towers and at the pool area of the Embassy Suites. Volunteers will be located along the Boardwalk to direct you to the Hilton Palisades Conference Center. Shuttles will also be available from the Embassy Suites, condo and villa areas. Wednesday's general session will be held in the Kensington Ballroom at the Embassy Suites.

Registration

Conference registration will begin at 3:00 p.m. and end at 7:30 p.m. on Sunday, June 18. Registration will be held in **Pembroke at the Embassy Suites**. Signs will be located in the hallways to direct you to the registration area. **We encourage all participants to register on Sunday evening because you MUST pick up your registration materials before attending the Opening General Session on Monday morning. Monday's general session will be held in the Palisades Conference Center at the Hilton Resort.**

Parking and Shuttle Information

Attached is a pre-printed parking pass for the Embassy Suites and Hilton. Please print this pass and place in your dash when you arrive at Kingston Plantation. With this pass, the gate guard at both resorts will wave you through the gate. This will prevent long lines at the entrance gate. If you forget your pass, please tell the guard at the gate that you are with the SCASA Innovative Ideas Institute and you will receive a pre-printed parking pass for the entire week. There will be security guards throughout the property to direct you to open parking spaces. Shuttles will pick up in various locations on the property. Please click on the link below to view the shuttle map and times. Again, we encourage you to register on Sunday, June 18.

If you are staying on property, we encourage you to walk or take a shuttle to the Embassy Suites or Hilton since parking is at a premium.

Program

Again this year at i3, SCASA is "Going Green" and we will **not** be printing a program book in an effort to be budget and eco-friendly! Below is the link to the online i3 program books. The full program includes complete descriptions of each session and the condensed version lists just the session names and times. We encourage you to view the online program book prior to coming to i3 so that you can plan the sessions you would like to attend. To help you with this, we have developed an i3 Session Map where you can list the top three sessions you would like to attend during each session time at the conference. You can also access the i3 Session Map from the link below.

You can view either program on your tablet or mobile device, but if you would like to have your own copy of the program at the conference, we encourage you to print a copy of either the full or condensed online program. We will have a few complete programs available for viewing as well as a complete description of each breakout session posted outside each breakout session door for sessions taking place in that room.

The i3 mobile app will include all of the program information, so we encourage you to download the i3 mobile app so that you can have all session information at your fingertips. Download the i3 mobile app at the following link: <http://eventmobi.com/2017i3>. Download instructions are attached.
